 - This month's feature will be *Nameless*, a documentary that addresses child sex trafficking in Washington, DC, and at-large. Through interviews with experts, advocates, and activists, child sex trafficking is reframed as a form of sexual violence that is often made invisible. Child sex trafficking is explored as an issue with deep historical-cultural roots, tackles misperceptions about which populations are most vulnerable to being trafficked and illuminates systemic gaps in the current treatment of trafficking victims. Featuring 15 interviewees on the frontlines of the issue, Nameless mobilizes viewers to recognize and combat child sex trafficking.
- **Next Steps**
 - Action items, assignments, and timeframes
 - New business suggestions for future meetings
- **Adjourn**
