

Since the Commission launched its current Strategic Plan in July 2019, significant progress has been made. This document outlines accomplishments in FY 21 and next steps to be taken in FY 22.

## Interstate Commission for Juveniles FY 21 & 22 Strategic Plan Update

### FY 21 Accomplishments

Improve Data System	Promote Member Engagement & Leadership Development	Address Gaps in Rules & Resources	Leverage Relationships to Promote Awareness & Improve Outcomes
Launched new data management system - UNITY	Recruited members reflecting diversity for leadership roles	Ad Hoc Committee on Juvenile Adult Issues presented recommendations, which were reviewed by Rules Comm and await vote at ABM	Established Online State Council Report Form, which was used by all states to submit consistent report.
Developed web-based training tools to support UNITY	Provided Orientation Training for new EC Members	Launched new Learning Management System	Offered TTA to states with state councils or where states have not met in many years.
Provided training in a wide variety of formats	Launched Leadership Exchange Series focused on equity, access and inclusion	Developed 20 new on demand courses	Collaborated with TSA to develop Transportation ID Form to prepare for REAL ID requirements
Developed web-based support center that keeps states informed about in-state needs	Formed Ad Hoc Committee on Racial Justice, which made numerous recommendations	Developed new on demand course structure & content for "ICJ in Action" series	Worked with FBI, SEARCH, and others on Warrant Notification Project
Worked collaboratively to support states during and after the transition to UNITY	Collaborated with APPA to launch the Justice System Partnership for Racial Equity	Presented Commission's first ever virtual ABM	
		Restructured National Office facilities, contracts and information technology resources to function	

## Next Steps

### FY 22 Goals

Improve Data System	Promote Member Engagement & Leadership Development	Address Gaps in Rules & Resources	Leverage Relationships to Promote Awareness & Improve Outcomes
Retrospective on UNITY: Collect and review data training, transition, structure of system	Provide leadership development training at ABM	Implement recommendations of Ad Hoc Committee on Juvenile/Adult Issues, based on Commission's vote on proposals at ABM	Launch ICJ Transportation Identification form
Review and revise compliance standards and practices (PMA and others)	Review operations & impact of mentoring program	Launch at least 10 new courses using the "ICJ in Action" model	Continue Warrant Notification Project partnership
Launch new Help Desk for UNITY (to replace Support Center)	Launch at least 10 new On Demand Courses using the "ICJ in Action" model	Revise & publish <u>Bench Book for Judges and Court Personnel</u>	Support state council development by providing training regarding state councils at 2022 ABM and targeted TTA to at least 4 states
Ensure 2+ users are proficient in use of UNITY	Continue Leadership Exchange Series with 2 <sup>nd</sup> cohort		Initiate meetings and trainings with organizations that respond to juveniles who may be considered adults to educate them about ICJ
Provide training on use of dashboards for proactive monitoring (ABM)	Collaborate with other criminal justice leaders through Justice System Partnership for Racial Equity		
Review UNITY security precautions and amend, if needed
