## Rule Proposals

- Representative Moore reminded the region that 2021 is a rule amendment year and the last day to submit a proposal to the Rules Committee for consideration is March 31, 2021. She provided highlights from the ICJ Rules Proposal Guide of the process noting that region's authority to propose recommendations and amendments.
- R. Curtis (ME), East Region member serving on the ICJ Rules Committee, updated that the committee conducted a review of the full rules over the past year and considered several proposals, including the emergency Rule 2-108 regarding the suspension of enforcement.
- Director Underwood updated that the Rules Committee has considered rule proposals from the Technology Committee and the Juvenile Adult Issues Ad Hoc Committee regarding: Rule 1-101: Absconder; Rules 4-102, 4-103, 4-104, 5-101, 5-103, 6-103A, 7-104, and 7-105. The next for consideration is Rule 8-101.
- T. Casanova (VT) questioned re-submitting the East Region proposals presented in 2019 which did not pass. K. Palmateer (NY) updated she did not plan to re-submit for a third attempt and provided a brief overview of the past proposals and rejected. Representative Moore suggested and the East Region agreed to re-visit the proposals at the next region to determine if it is plausible for re-submission for 2021. The national office will forward the proposals submitted by the East Region in 2019 regarding Rule 4-103 and Rule 8-101 for discussion at the next Region Meeting.
- R. Curtis (ME) added that as a member of the ICJ Rules Committee he had proposed a definition of the term "proof of entitlement" and is working with the Maine Legal Counsel for wording which he will provide for the next Region meeting discussion.

## **Strategies Round Table**

- Representative Moore presented the concept of "strategies round table" on topics whereby all members could benefit from the discussion during the region meetings. Additionally, she suggested regional members serving on committees provide an update of their committee's work.
- The East Region agreed and those discussion items will be added to the next region meeting agenda.

#### State Updates/Concerns

- The East Region states provided a round robin of updates in their state regarding UNITY roll out and COVID closures. There was a general consensus that there has been an increase in COVID positive cases and state governors' orders may return states to earlier phases of shut down. However, ICJ office staff continuing to work remote in some capacity and the processes put in play since March are working for the most part.
- An addition impact is field staff are sometimes unavailable, as they are called upon to work in facilities as outbreaks increase and facility staff are absent due to illness and quarantine.
- The national office provided a reminder and the link for states to update their ICJ State Restrictions Webpage quick and easy by updating the form: <u>https://app.smartsheet.com/b/form/df4a8bb4b8374ce997f932a0be6d5cd2</u>
