Announcement Letter
- National Office conducts assessment and determines compliance scores on assessed standards.
- Initial Report is final, unless a State disputes any finding(s) of noncompliance.
- Any standard falling below 70% requires a Corrective Action Plan (CAP)

PMA Conducted
- National Office provides written report, including any findings of noncompliance.
- Disputes to findings are due within 30 calendar days from date of Initial Report.
- When required, CAP is due within 30 calendar days unless findings are disputed.

Initial Report
- Compliance Chair and/or Committee reviews Initial Reports and disputes.
- Revised report, including state's response as addendum and any amendments to findings, returned to assessed state within 60 calendar days from date of Initial Report.
- When a CAP is required and a revised report is returned to the state, the CAP is due within 90 calendar days from date of Initial Report.

30 Calendar Days
- Final progress report due upon completion of CAP.

60 Calendar Days
- Final progress report due upon completion of CAP.

90 Calendar Days
- Compliance Committee reviews final progress reports to determine if reassessment or further action is required.

Quarterly Reports
- Written reports are due on a quarterly basis.

Final Report
