New Business

Consideration of Moving to Three-Year Rules Cycle

- Chair J. Hawkins (MO) asked for members feedback regarding the concepts of extending the rule amendment cycle to three (3) years. Several perceived advantages were discussed, including increased time to analyze challenges, proposed solutions, and the impacts of amendments.
- Legal Counsel Thomas Travis noted that the Rule 2-103, Adoption of Rules and Amendments, does not require that rule proposals be considered every year. Instead, it requires that rule amendments be considered by the Commission “not later than the next annual meeting falling in an odd numbered year.” Therefore, some modifications to the typical schedule could be made without changing the ICJ rules.
- Chair J. Hawkins (MO) indicated that she would ask that the issue be placed on regional meeting agendas for discussion at the 2025 Annual Business Meeting (ABM).

Identify ABM Rule Amendment Training Session Presenters

- Chair J. Hawkins (MO) requested volunteers to present the Rule Amendment Training Session at the 2025 ABM. Volunteers included:
 - Judy Miller (AR)
 - Caitlyn Bickford (NH) – Wants to volunteer, not speak
 - Stephen Horton (NC)
 - Casey Gerber (WI) – was suggested by another member after leaving the call
 - Trissie Casanova (VT) – Willing to present on the East Region proposal

- The Rules Committee’s next meeting was set for July 16, 2025.
- The final draft proposed rule amendments to be considered at the 2025 ABM will be posted on or before July 28, 2025.
- The Public Comment Hearing on proposed rule amendments to be considered at the 2025 ABM was set for August 6, 2025.
